

HOST TEAM

MISSION // LEADING PEOPLE INTO A LIFE CHANGING RELATIONSHIP WITH JESUS

The Host Team supports this mission by creating a comfortable environment by being helpful, engaging, and attentive to the needs of all attendees.

WE NOT ME

Hosts are uniquely focused on our guests and look for every opportunity to make their experience a top priority. From holding a door to giving a guest a tour of the building, Hosts strive to make every encounter at Christian Life a memorable one.

IT'S PERSONAL

The Host Team is responsible for making their church home look and feel like a place we can all be proud of. This team takes pride in building weekly relationships that put names and faces to Christian Life. Hosts are often the first impression people get of Christian Life.

MAKE IT BETTER

Hosts actively look for ways to enhance the Christian Life experience. Whether helping to clean up a coffee spill or offering to find someone a seat; hosts are always looking for ways to make someone's day better than it was when they walked in the door.

CHAMPION THE STORIES

Hosts are encouraged to connect with the people who attend service each week. Ask questions, get to know them, greet them by their first name, and celebrate how God is working in their lives.
