MISSION // LEADING PEOPLE INTO A LIFE CHANGING RELATIONSHIP WITH JESUS

Christian Life Kids supports this mission by creating a safe, fun, and engaging environment where kids can learn about God and grow in their relationship with Him.

WE NOT ME

Christian Life Kids is focused on helping every kid feel safe and comfortable. We help our team members by cleaning and prepping the classroom for the following service and leave it better than we found it.

IT'S PERSONAL

Christian Life Kids serves consistently in order to build healthy relationships with the families of Christian Life. We understand that parents are entrusting us with their most precious gifts from God, and we make each family interaction positive and encouraging.

MAKE IT BETTER

As a team, we understand that some kids only hear of Jesus when they are with us – and we make it count! We use positive reinforcement with the kids in our care, and encourage them to be the best version of themselves.

CHAMPION THE STORIES

We ask kids questions, learn their names, get to know them individually, and celebrate how God is working in their lives. We actively look for moments to encourage kids, parents, and the team when we see them do something
