

MEDICAL TEAM

MISSION // LEADING PEOPLE INTO A LIFE CHANGING RELATIONSHIP WITH JESUS

The Medical Team accomplishes this mission by supporting and caring for any person requiring medical attention while attending a Christian Life campus.

WE NOT ME

The Medical Team is made up of many volunteers with a variety of medical backgrounds who have given both their professional lives and now their personal lives to the care of others.

IT'S PERSONAL

Each Medical Team member pairs clinical expertise with the love of Jesus, and provides care for each person during some of the most complicated moments of life.

MAKE IT BETTER

This team interacts with attendees during some of their most intimate moments, and always tries to improve an often negative experience at every turn.

CHAMPION
THE STORIES

The Medical team is uniquely positioned to be a part of someone's story and is always prepared to respond to their personal needs.
