

NEXT STEPS TEAM

MISSION // LEADING PEOPLE INTO A LIFE CHANGING RELATIONSHIP WITH JESUS

The Next Steps Team supports this mission by helping people discover where they are and what steps they need to take to continue the pursuit of being Christ-like followers.

WE NOT ME

God designed us to grow best in relationships with others. The Next Steps Team's goal is to walk beside someone to help them understand how their personality, gifts, and passion can support the unique calling they have on their life.

IT'S PERSONAL

Using an assessment process, the Next Steps Team is able to guide each person in identifying their unique Next Steps. This team will discuss possible next steps with each person that may include how someone can join a team or group to improve the area of life that represents their current focus.

MAKE IT BETTER

The Next Steps Team will be there to coach and assist each individual as they identify their next steps. God is not looking for perfection, but He should be continually influencing our decisions, habits, and life as we grow to be more like Jesus.

CHAMPION
THE STORIES

An individual's spiritual and personal life will be impacted through their next steps. The Next Steps Team creates an opportunity for individuals to share their life upgrades as a result of walking in the next steps designed specifically for them.
