MISSION // LEADING PEOPLE INTO A LIFE CHANGING RELATIONSHIP WITH JESUS

The Production Team supports this mission by creating an environment designed to draw people closer to Jesus.

## WE NOT ME

The Production Team is one of the first to arrive and one of the last to leave. This team comes together each week to ensure sound, lighting, stage design, and logistics offer each person an amazing, distraction free opportunity to experience Jesus.

## IT'S PERSONAL

Each person on the team knows how powerful one life changing moment with God can be. We try to design and execute our services in a way that bring people face to face with Jesus.

## MAKE IT BETTER

After each Sunday, the Production Team discusses what went right during a service and what needs to be improved. We want to celebrate the wins and do our best to eliminate any problems that may occur, making every service better than the last.

## CHAMPION THE STORIES

Production provides support to every team at Christian Life which means we have the privilege of not only hearing the stories, but also telling the stories on Sunday morning.
