

SECURITY TEAM

MISSION // LEADING PEOPLE INTO A LIFE CHANGING RELATIONSHIP WITH JESUS

The Security Team supports this mission by fostering and maintaining a secure environment within our campuses to ensure people can comfortably and safely attend events, services, and groups.

WE NOT ME

The Security Team is often the first to arrive and last to leave in an effort to offer a safe and comfortable experience for the team and attendees.

IT'S PERSONAL

The attendees of Christian Life often include Security Team members' family and loved ones, making their role especially personal.

MAKE IT BETTER

Made up completely of volunteers protecting those in the most sacred of places, the security team strives daily to improve their spiritual, physical, and tactical health.

CHAMPION
THE STORIES

The Security Team is made of people from all walks of life and with diverse backgrounds, making this team uniquely positioned to apply proper perspective to their role.
