

YOUTH

MISSION // LEADING PEOPLE INTO A LIFE CHANGING RELATIONSHIP WITH JESUS

Christian Life Youth supports this mission by creating a safe, fun, and engaging environment where students can connect with godly leaders, friends, and most of all, Jesus. Our hope is to see every student fulfilled in their call and impacting the world around them.

WE NOT ME

Christian Life Youth focuses on practicing servant leadership by being available to help in any way. No job is too small, and we will have a “whatever it takes” mentality. Attending Sunday morning services, Youth services, and our monthly leaders meeting is a priority.

IT'S PERSONAL

Christian Life Youth team members are committed to grow in their personal relationship with Jesus daily. They lead their Tribe by creating a safe environment for students to be themselves and to open up. In Tribes, leaders listen more than they speak, engage each student, and pray with them.

MAKE IT BETTER

Christian Life Youth Team members will be fully engaged in Youth services, from start to finish. This includes attending the team huddle, pre-service hang out, worship, message, Tribes, and post-service hang out. We welcome feedback, input, and prayer from our Coordinators and Youth Pastors knowing that they see things we don't.

CHAMPION THE STORIES

Christian Life Youth's main focus is to connect with students. That means interacting with students before, during, after services, and during the week. We are passionate about connecting them to Jesus and helping them grow, discover, and develop into the person God is calling them to be.
